Dear Honorable Renee Marie Bumb,

My name is Josue Pichardo 72419-050 and i respectfully ask the court to appoint me new counsel. My lawyer Gregory J. Pagano and i are having irreconcilable differences. I recently sent a letter to the court about false information that my lawyer Gregory J. Pagano told me about my guideline sentence range for sentencing in which i was induce into pleading out and i was expecting a sentence in the guideline range that we discuss. And now communications between us has shutdown. I respectfully ask the court to appoint me new counsel that speaks Spanish because i don't understand English that well. Thank you so much Honor.

Respectfully Submitted,
